Call our toll-free 800 number and our system will automatically connect you to an abortion provider closest to your location. If you need a medical abortion, surgical abortion, or Abortion pill you may also use the Abortion Select drop-down boxes to find an office near you.

Or select a state in the list below to find a list of abortion facilities, abortion doctors, and abortion providers of many types. They will all provide a variety of Abortion care and stand ready to be your partner in exploring your options and finding an abortion solution to your needs. From this abortion directory, you can access the website or phone number of any facility that catches your interest.

On the left you can find information on many things including private abortion, therapeutic abortion, the abortion pill, late abortion and much more. Our mission is to get you to a safe, qualified physician for your abortion needs.

If you are more than 15 weeks pregnant, see our list of late term abortion specialists (below):
